

Arc Flash Safety Compliance

Instructor: Armando Castro – Varner & Associates

5:00 pm to 8:00 PM
Mondays, February 8 & 15
Wednesdays, May 19 & 26
Wednesday, October 13 –
supervisors only

Do the job safely and avoid the consequences of unsafe disregard of the OSHA regulations - that can sometimes prove fatal.

Based on the NFPA 70E®: Standard for Electrical Safety in the Workplace® – 2009 Edition, this important safety seminar will cover:

- Electrical arc flash and shock hazards associated with work on energized units pushing 480 volts or less,
- Safe work practices/protective measures, including arc flash and electrical shock approach boundaries, and
- Personal protective equipment

**ABC Members \$130, Non-Members \$180
ABC Subscribing Employers - 2 at no charge**

Students should bring a copy of the NFPA 70E

There will be no refunds given on cancellations after the reservation deadline date of one week prior to class. Anyone who has made a reservation and does not attend the event without canceling by the above referenced date shall be billed for the full amount, including JM registered at no charge to the company.
