

Beyond the NEC:

The California Bldg Code and More

Presented by: Larry LeVoir - Senior Inspector; Electrical Plan Checker, City of Irvine

Tues/Thurs Class
June 7 & 9, 2011

Class Hours: 5:30 PM – 8:30 PM

ABC Southern California Training Center

Class will cover the following topics:

- Did you know that there are Code requirements for electrical work besides the NEC
- Emergency Systems
- Firestopping: Why and How to do it right.
- My product has a UL label, but the inspector will not approve it?
- Open questions and discussion
- Requirements from the California Building Code
- Use of the UL Directories

ABC Members - \$130 per person

ABC Subscribing Employers - two (2) journeymen at no charge

Non-ABC member journeymen will be charged \$180.00

Hours will count toward certification renewal

Please fax form to Theresa at ABC: (714) 779-3193

There will be no refunds given on cancellations after the reservation deadline date of one week prior to the event. Anyone who has made a reservation and does not attend the event without canceling by the above referenced date shall be billed for the full amount, including journeymen registered at no charge to the company.
