

Cal OSHA Construction Safety

Instructed by Bob McCray, LINKON Safety

Mondays, September 10 & 17, 2012

5:00 PM to 8:00 PM

ABC Training Center

ABC Member Price: \$180.00, SE – 2 at no charge, non-member: \$230

class hours will count toward certification renewal

This program is designed specifically for commercial construction supervisors, foremen, apprentices and laborers. The class will address the unique situation of the commercial construction industry in California. This course follows the format of the Cal/OSHA regulations and standards in addition to the eight core elements of the IIPP.
