

Traffic Control and Flagging

Instructed by Robert McCray, Linkon Safety

LAST CHANCE TO REGISTER!

OVERVIEW:

The Traffic Control & Flagging course follows the American Traffic Safety Services Association curriculum and incorporates the California on Uniform Traffic Control Devices for Streets and Highways. Class covers:

- warning sign placement
- proper fundamentals of flagging
- moving traffic and signaling directions
- ANSI standards for reflective clothing
- lighting and equipment
- practical application portion

Completion certificates and Flagger Cards are issued after class and students will be entered into the ATSSA National Database.
