

Associated Builders & Contractors

Southern California

TRAINING TODAY FOR TOMORROW

Earn while you learn.

This is the best of both worlds! Associated Builders & Contractor's (ABC SO-CAL) construction apprenticeship program puts you on the payroll and provides **family health, dental and vision benefits** while you have the opportunity to learn the skills and gain the knowledge you need to earn top wages. While you are working for one of our employers, you will receive classroom training; **tuition is at no cost to you**, learning the theory and practical application of your craft - the head skills that make the hand skills possible.

WHAT IS ABC? ABC is a non-profit, national construction management association with over 75 chapters throughout the country. Through the "Unilateral Apprenticeship Committees" for each program, the Association operates three - (3) to (4½) year, state-approved programs for construction apprenticeship training.

WHAT WILL ABC DO FOR YOU? As an ABC apprentice, skilled craftsmen in your selected trade will teach you the trade. You will study your trade using the National Center for Construction Education and Research (NCCER) standardized training curricula used by contractors and colleges across the country. Therefore, all NCCER training centers in the nation will recognize your education. **You can receive college credit for your training.** As a successful graduate of the ABC apprenticeship program, the State of California and the U.S. Department of Labor will issue qualified apprentices a completion certificate. You will also be entered in the NCCER's National Craft Registry and receive accreditation of your achievements by official transcript. This will allow you to be recognized as a qualified journeyman to ABC members throughout the country.

GENERAL REQUIREMENTS FOR ALL ABC APPRENTICESHIP PROGRAMS

The following five (5) requirements apply to all apprenticeship programs:

1. High School Diploma or GED (photocopy).
2. Social Security Card and Driver's License (**enlarged photocopy**).
3. Current DMV Printout (**original**) – Print out must state "VALID".
4. Official Transcripts – Indicating one year of high school algebra or one semester of college algebra with a passing grade. You can request your high school or college **sealed official transcripts** for a small fee. **Transcripts must be sealed to be considered official.** If you cannot meet the algebra requirement through high school or college courses, please arrange to take a placement test with your local college. Applicants that place at the intermediate algebra level or higher on a College Placement Test will be considered to have met our algebra requirement.

We must receive all of the requested documentation before we can process your application. Once all of your paperwork is processed you will be given:

1. Aptitude Test – The McGraw-Hill's TABE (Test of Adult Basic Education) test will be administered free of charge. This test contains four sections on the following topics: Reading, Language, Mathematics Computation and Applied Mathematics. Applicants must attain a minimum score of **70%**. *You have two opportunities to pass the TABE Test. Should you not pass the test on your second try, you will have to wait a period of one (1) year before you can re-apply.*
2. Oral Interview – Applicants must attain a minimum score of **80%**. *You have one opportunity to pass the Oral Interview. Should you not pass the Oral Interview, you will have to wait a period of one (1) year before you can re-apply.*
3. Orientation

After submitting all of the above-required documents, passing the TABE with a 70% or better, passing an oral interview with a score of 80% or better, and attending Orientation you will be placed on a pending dispatch list. Once you begin working with an ABC So-Cal subscribing employer, you will become a "Registered" apprentice with the State of California and the U.S. Department of Labor. Should you have any questions or need additional information, please visit our website at www.abcsocal.org to view the FAQ page under Education and Training, or contact us at (714) 779-3187, ask for the Training Assistant at ext 314.
