|--|

This class is structured to provide required safety training.

Participants should already know how to operate a standard forklift.

- Classroom instruction
- Hands on experience
- Written test will be administered
- Certificates will be awarded upon successful completion of the class

OSHA requires employers to ensure that each forklift operator is competent to operate a powered industrial truck safely, as demonstrated by the successful completion of forklift safety training and evaluation.

ABC members - \$105.00 -- Subscribing Employers – 2 JM at no charge, Non-members - \$150.00
