ABC-SO CAL TRAINING CENTER

Presented by: Linkon Safety

Understand the Cal-OSHA 3395 heat stress regulation.

Who Should Attend: Highly recommended for foreman, supervisors and managers.

Goal:

- ❖ This seminar is to ensure that all who attend understand the Cal-OSHA 3395 regulation and the urgency of training their crew and other supervisory personnel about heat stress.
- ❖ Learn the primary objectives that are aimed at assisting attendees in understanding and developing recognition skills to help assist in the evaluation and control of occupational heat stress.
- ❖ The seminar will encompass the four elements of heat stress programs:
 - provision and encouragement of drinking plenty of water,
 - ready access to shade,
 - full and complete training,
 - and written procedures spelling out the essentials.

Please fax response to Theresa at (714) 779-3193 or register online at www.abcsocal.org

There will be no refunds for cancellations after the deadline date of one week prior to class start. Anyone who has made a reservation and does not attend without canceling by the deadline date will be billed for the full amount. ABC reserves the right to cancel the seminar if a minimum number of attendees is not reached by the deadline date.
