

# Intermediate Motor Control

Member Price \$340

Non-Member Price \$420

SE – 1 no charge

Monday Nights

**August 8 – 29, 2011**

5:00 pm to 9:00 pm

This will be a more advanced training class. It is suggested that the Introduction to Motor Controls class be taken prior to this class.

**\*\*\* Please bring meters to class if you have them \*\*\***

Class will review the study of motors, circuits & devices used for controlling electric motors, how to use the application of D.C. & A.A. controllers, starters, transformers and much more. Lab time is included.

*Fax Individual Enrollment Forms to ABC at (714) 779-3193. Please make checks payable to ABC So-Cal.*

*There will be no refunds given on cancellations after the reservation deadline date of one week prior to the start of class. Anyone who has made a reservation and does not attend the event without canceling by the deadline date shall be billed for the full amount. Class may be cancelled if a minimum number of attendees is not met.*
