

43RD ANNUAL BIG KAHUNA GOLF CLASSIC

ABC SoCal is very excited to announce that we are returning to Oak Creek in Irvine for our 2019 Golf Classic and have planned a fun and memorable day for our golfers!

The Tom Fazio designed course at Oak Creek cleverly integrates natural topography, heritage flora, and dramatic views to create a unique and compelling round of golf. As you traverse the 6,834 yard, par 71 layout you will find that each hole represents the meeting point of the golf architect's mind and the player's skill.

ABC is a not-for-profit trade association committed to free enterprise in the construction marketplace and works to provide members and their employees with an opportunity to learn, grow and succeed. As a golf tournament sponsor or player (or both), you will have an active and supporting role in ABC's purpose which is to advance and defend the principles of merit in the construction industry.

Your participation in this year's event is greatly appreciated and we look forward to seeing you there!
