PROTECTIVE INDUSTRIAL PRODUCTS

BEAT THE HEAT ....with EZ Cool™

Great for use in hot environments for protection from the stress of high temps – indoor or outdoor! Ideal for construction, automotive, mining, farming, medical, emergency services, food service, oil rigging, industrial sites, sporting events.

COOLING TOWEL

When activated simply in a small amount of water, the amazing fabric feels cooler than the ambient temperature and will remain cool for hours. You may cut the towel size to wrap around your head, neck, wrists or use under ventilated cap. If it dries out just add water, give it a quick wring and its ready to continue cooling!
Item# 396-602B
