PAY UPGRADE INFORMATION

The ABC So-Cal HVAC program is an **8,000-hour** program. Base upgrades on the following calculations: 8,000 hours divided by 10 periods, which equals upgrades every **800 hours** for those apprentices working on projects bid under these **2011-2** determinations. **However, the ABC So-Cal Health and Welfare (H/W) for the apprentices is \$4.53 per hour as of June 1, 2011. Please increase pay to include the difference of at least \$0.56 in H/W at this time for periods 1 thru 4. Please refer to ABC website under Notice of Understanding for possible rate increase on or around every June 1.**

The information contained in the box above is provided strictly by the State of California. ABC So-Cal does not take responsibility for ANY of the calculations or dollar amounts shown in the bordered areas. It is recommended to periodically recheck the information for revisions. See **Notice of Understanding** for current ABC So-Cal Health and Welfare rates/Pay Upgrade/Upgrade On Hold information and Training Contributions.
