PAY UPGRADE INFORMATION

The ABC So-Cal Sheet Metal program is a **6,500-hour** program. Base upgrades on the following calculations: 6,500 hours divided by 10 periods, which equals upgrades every **650 hours** for those apprentices working on projects bid under these **2010-1** determinations. **However, the ABC So-Cal Health and Welfare (H/W) for the apprentices is \$3.76 per hour as of June 1, 2009. Please increase pay to include the difference of \$0.04 in H/W for periods 1-4.**

The information contained in the box above is provided strictly by the State of California. ABC So-Cal does not take responsibility for ANY of the calculations or dollar amounts shown in the bordered areas. It is recommended to periodically recheck the information for revisions. See **Notice of Understanding** for current ABC So-Cal Health and Welfare rates/Pay Upgrade/Upgrade On Hold information and Training Contributions.
