PAY UPGRADE INFORMATION

The LA/Ventura Merit Training Trust Electrical program is an 8,000-hour program. Base upgrades on the following calculations: 8,000 hours divided by 5 periods, which equals upgrades every 1,600 hours for those apprentices working on projects bid under these 2019-2 determinations. However, the ABC LA/Ventura Merit Training Trust Fund Training Contribution Requirement is $0.90 per hour. Please increase pay to include the difference of at least $0.90 in Training at this time for period 1. Please increase pay to include the difference of at least $0.22 in Training at this time for periods 2 thru 5. Please refer to ABC website under Notice of Understanding for possible rate increase on or around every June 1.

The information contained in the box above is provided strictly by the State of California. ABC So-Cal does not take responsibility for ANY of the calculations or dollar amounts shown in the bordered areas. It is recommended to periodically recheck the information for revisions. See Notice of Understanding for current LA/Ventura Merit Training Trust Pay Upgrade/Upgrade On Hold information and Training Contributions.
